

# BIG NEWS:

**Baxton Studio's home base in the industrial area near Chicago's O'Hare Airport is moving!**

---

We've been based in Bensenville, IL and Elk Grove since our founding in 2002 and we're sad to leave the community that's helped us flourish. But we won't be too far: both our Bensenville warehouses and showroom will be condensing into one facility in Aurora, IL.

## **TIMELINE:**

December 9, 2019 – February 2020: item availability may involve a delay

December 16, 2019 – February 2020: moving period

Mid-January 2020: Bensenville store will close while moving to Aurora

February 2020: Aurora store grand opening

## **ITEM PICK UPS & DELIVERIES**

To avoid any possible delays with picking up or having your purchase delivered, we recommend planning to purchase *and* pick up no later than Monday, 12/9/2019. If your item(s) are being moved, there will be a delay of 2 weeks or more. Once moved, item pickups will occur at our Aurora location. Deliveries may also involve a similar delay, as may product transfers to our Lombard and Chicago store locations.

***Please call ahead to ensure your items are available for pick up and verify the pickup location.***

After Mid-January Bensenville will no longer be home to a Baxton Studio Outlet location, though we welcome you to visit our new show space in Aurora. Alternatively, we encourage you to reach out to one of our other two Chicagoland stores: Lombard or Chicago's Austin neighborhood near Elmwood Park. However, same-day pickups will require a drive to our Aurora warehouse:

2805 Duke Parkway  
Aurora, IL 60502**

To our Bensenville store's loyal customers: thank you for all your support over the years! We hope to see you at our other locations!
