WI-0421

This diagram shows the exploded perspective view of the table top assembly. It includes the table top (A), which is a rectangular panel with a grid of slats. The slats are held together by a series of vertical pins (11). The table top is supported by a frame (B) and a base (C). The frame (B) is a rectangular structure that holds the table top in place. The base (C) is a rectangular structure that supports the frame. The diagram also shows the table legs (D) and the table casters (K). The table legs (D) are attached to the base (C) and the table casters (K) are attached to the base (C).

**14** Lastly, fit the Support Bar (J) in place.
