Setp : 1

Insert the side sofa backrest (B) into the base (A) using the metal groove, then press firmly until fully seated to ensure a secure assembly.

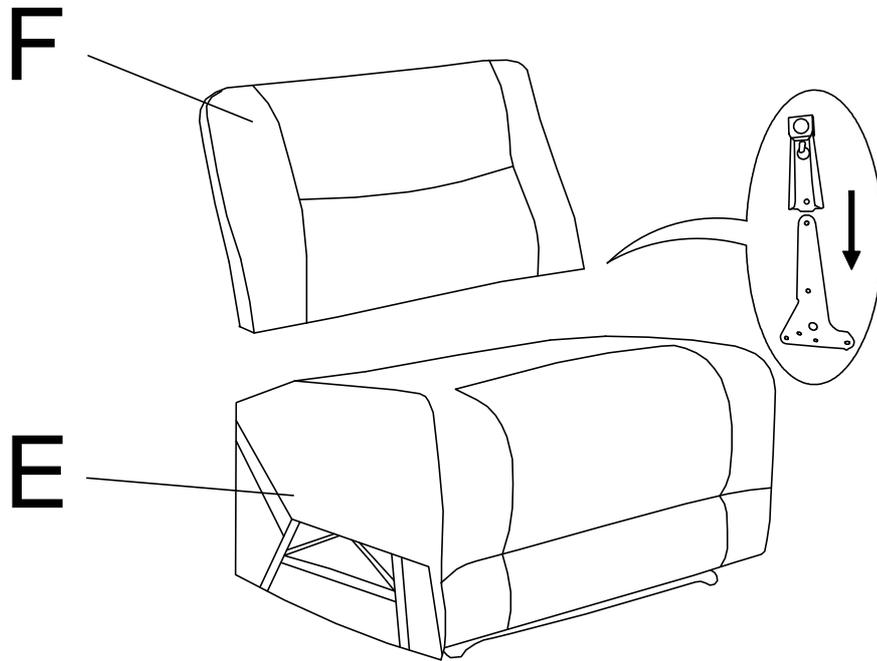

Setp : 2

Press the coffee table backrest (D) and slide it into the coffee table base (C) via the metal groove, ensuring a secure assembly.

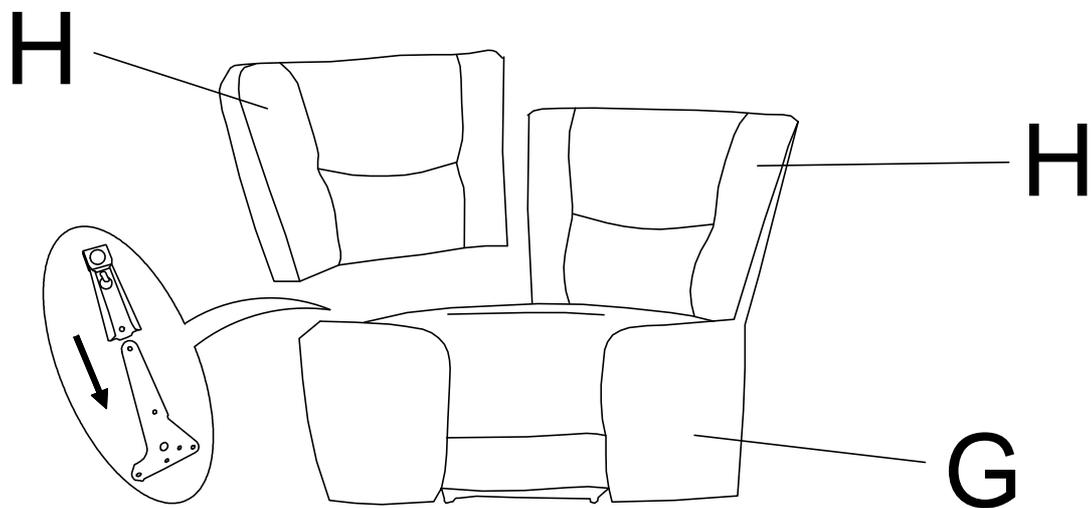

Setp : 3

Press the backrest (F) and slide it into the manual mid-position base (E) along the metal groove; press firmly until it is securely installed.

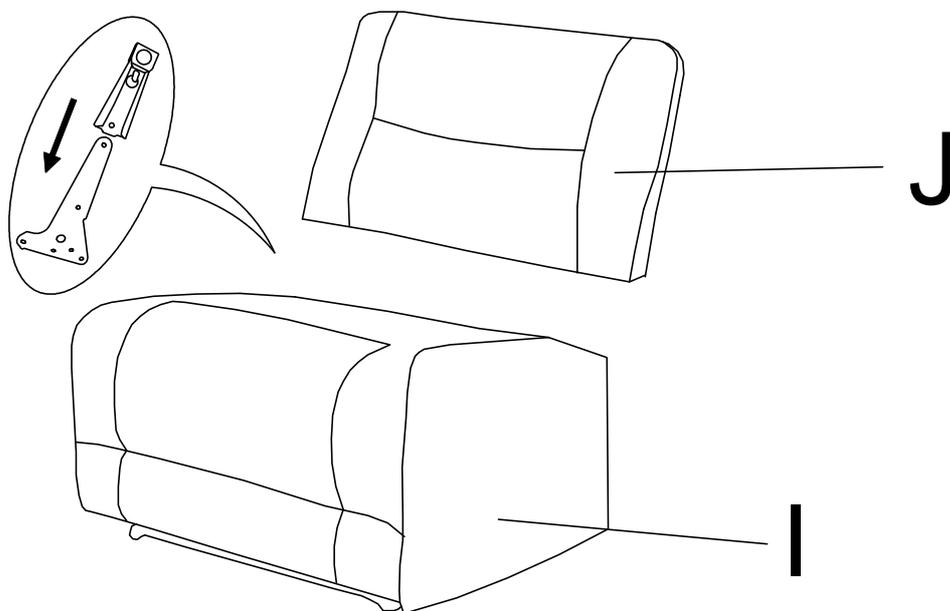

Setp : 4

Press the backrests (H) and sequentially slide both backrests (H) into the corner base (G) via the metal grooves; press firmly until fully seated to ensure secure assembly.

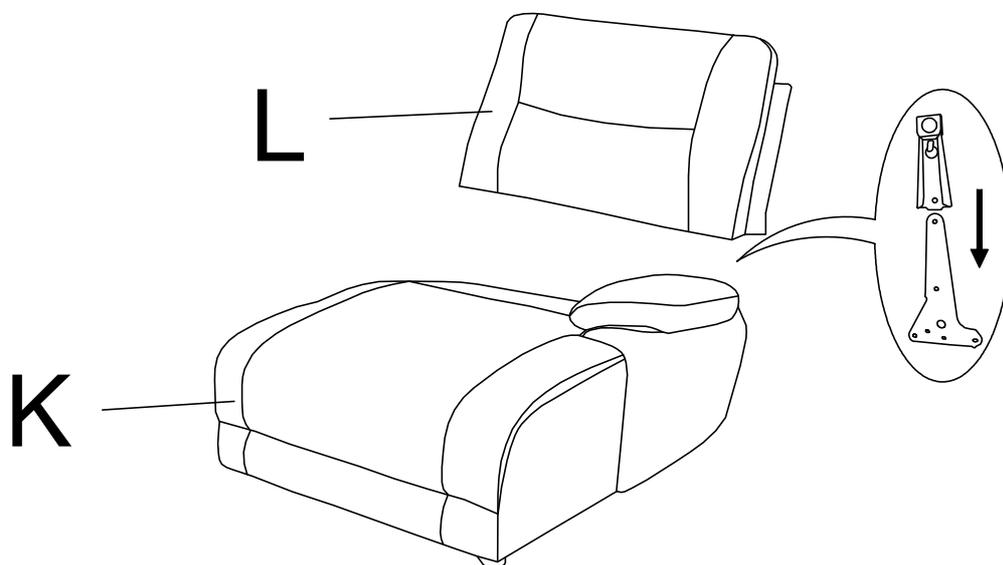

Setp : 5

Press the backrest (J) and slide it into the fixed center base (I) along the metal groove; press firmly to ensure secure assembly.

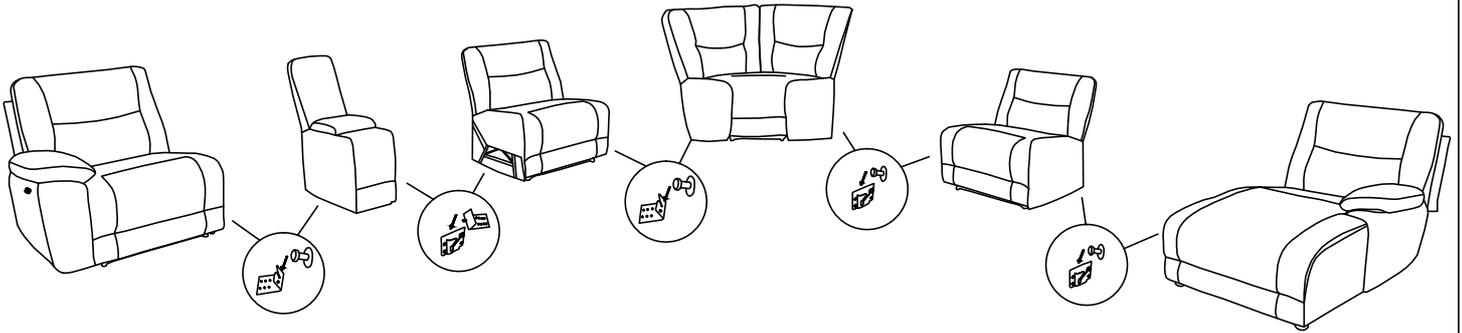

Setp : 6

Press the reclining backrest (L) and slide it into the reclining base (K) via the metal groove; press firmly until it is fully seated to ensure secure assembly.

Setp : 7

As shown in the figure, align the individual sofas and connect them sequentially using metal hangers, ensuring proper assembly and secure fastening.

Setp : 8

Assembly completed.
